## Week of Prayer for Christian Unity

Join members of other neighbourhood churches to praise and pray together. The annual observance is more than 100 years! !

On the West Island the Christian Unity Fellowship (formerly the North Shore Ecumenical Association) plans and conducts worship to mark the occasion. Pierre Lussier and Pastor Jim attend meetings on behalf of CTR. This year we're holding this service on-line via Zoom:

During the first week of the New Year Pastor Jim conducted a graveside service for **Gisela Kraatz Guémolé**, who died on Christmas Eve.

**Eleanor Solhman** died on January 12, at the Henri-Bradet residence for seniors in NDG, where she had been living for the past seven years.

## Bulletin of Reports

Think of it as a year-in-review and a look into the future. The yearly collection of reports from the pastor, council, committees and treasurer provide a summary of what we did together in 2020, and helps us to begin to make plans for 2021. We hope to have documents by this Sunday, so that electronic and paper versions may be ready for distribution before the annual meeting

Council will meet next Tuesday to settle plans for the meeting, which is likely to be held on Zoom on Saturday February 20, with special options for those without the internet

## Life Line

On Netflix I'm watching a series set in a remote village in Iceland. In a recent episode an avalanche has killed one resident and cut-off access to the outside world.

Grief is often like an avalanche. It accumulates. Along with the death of loved ones, grief is how we respond to any significant loss: an accident, illness, unemployment, divorce, the death of pets...

Thank God that grief is a process that leads us toward hope and healing.

Yours in Christ,  
Pastor Jim
